WILL-A-DELL APEX -- A dark roan bull by Rockyford Silver Wedding, the bull that is doing a good job in the Luther Rice herd at Prospect, Ky. He is a dark roan, easy fleshing and he has a daily gain of 2.71 lbs. per day for the 6 months test as a yearling. His calves inherit their gaining ability from him. I would not think of parting with him, but I have so many related to him that I must dispose of him.

MACBETH PAYMASTER 16th -- This bull was a stallmate to Macbeth Lancer. Macbeth Lancer, by Leveldale Regalia, was champion at our Pike County Sale, Nov. 4th and sold to Oakdale Farms, Granger, Mo. at the top price of the sale. I couldn't tell this Paymaster calf from the champion bull until I could get close enough to see a little white on the champion's underline. They were like peas in a pod. This calf is out of an excellent Broadhooks cow that is a granddaughter of the Perth Reserve Champion, Cruggleton Johnston. If you have good pedigrees but want to make them a lot better, this is the kind of bull you want. Mathers Bros. sold six calves by the sire of this calf for an average of over $1,500, with a top of $3,200 on a heifer in their 1960 sale.

# 47th ANNUAL OMAHA SHORTHORN SALE

## STANDARD GUARANTEE
## OF
## AMERICAN SHORTHORN
## BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

**The annual Omaha Shorthorn and Polled Shorthorn Show and Sale is indeed grateful to Ak-Sar-Ben for the use of its excellent facilities this year and would like to take this opportunity to acquaint its exhibitors with this unique and world's largest civic organization.**

Ak-Sar-Ben was founded in 1895. Its first undertaking was a mammoth parade which was so successful that Ak-Sar-Ben was established as a permanent public service organization. Today, the organization, a non-profit group founded solely for public service, receives its funds through memberships ($10 annually, the same as in 1895) and its annual horse racing meeting.

* * *

What does Ak-Sar-Ben do with these funds? Here are some examples for 1961 alone!

*336 scholarships for students, nurses, county extension agents, vocational agricultural instructors and school teachers.

*Financial assistance for University of Nebraska, 4-H and FFA judging teams.

*Student loan funds at Nebraska, Creighton and Omaha Universities.

*Scholarships for firemen and policemen.

*The world's largest 4-H beef show.

*4-H leader training Institutes throughout Nebraska.

*Special Premiums for 4-H, FFA and open classes at Nebraska County Fairs and $41,235 worth of improvement grants.

*$13,500 to assist hospitals in their charity work.

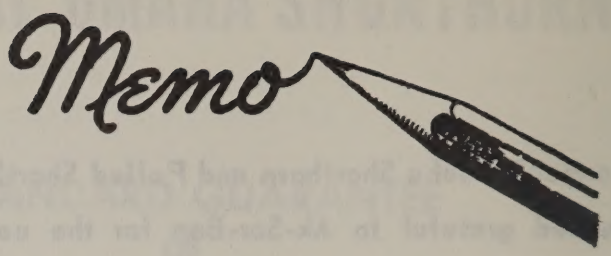

*School traffic safety signals in the amount of $10,000.

*Playground equipment totaling $15,000 in 1961.

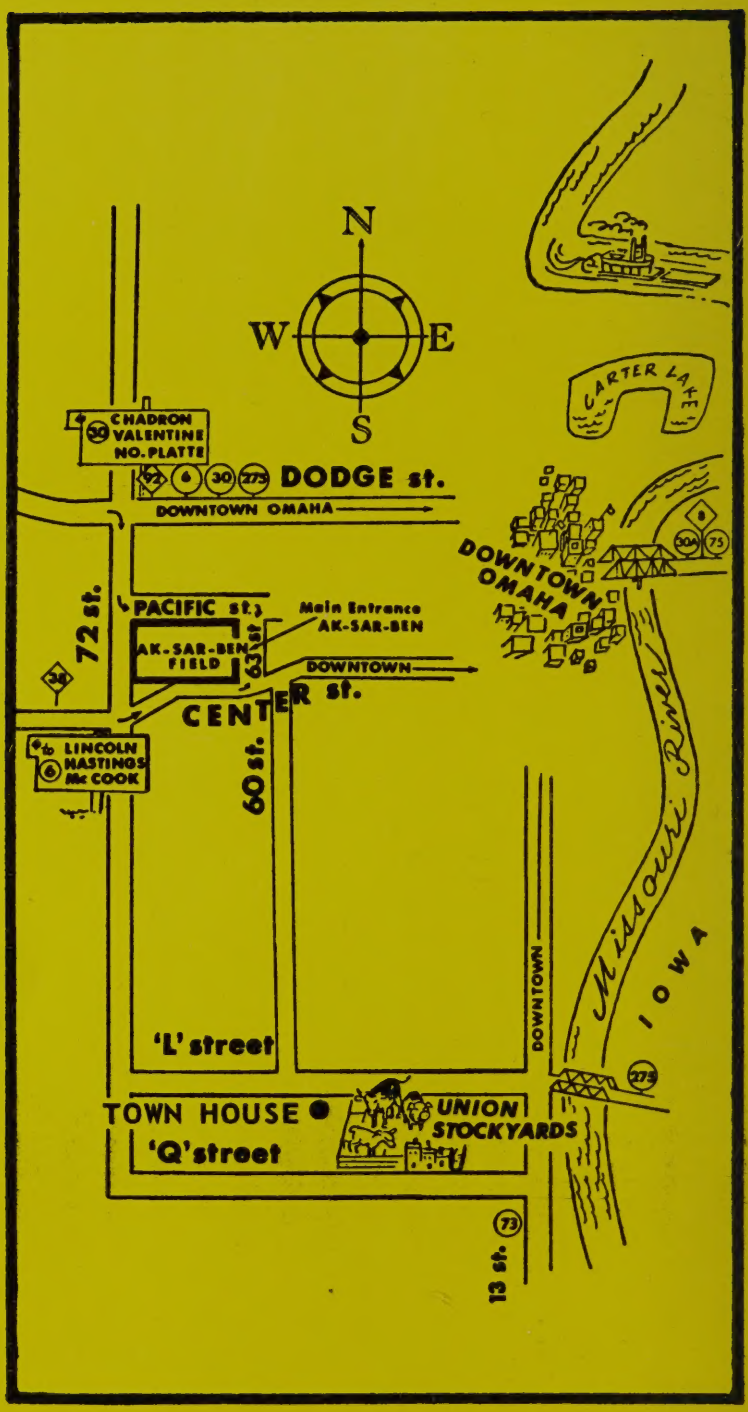

*Seven Nebraska towns with life-saving equipment.

* * *

Ak-Sar-Ben member, for his $10 annual dues, can be proud that he is helping Ak-Sar-Ben play a major role in the future of this entire region, and at the same time he receives a year-long-ticket to the finest in entertainment. This year, for free, an Ak-Sar-Ben member and his lady will see five shows starring such greats as Xavier Cugat and Abbe Lane, Mamie Van Doren, Dennis Morgan, Helen Traubel and Jo Ann Castle. Also, reduced price tickets to Ringling Bros. and Barnum & Bailey Circus, the Omaha Charity Horse Show, Ice Follies of 1963, the Rodeo and Live Stock Show, Coronation and Ball and other outstanding events.
